

Class 1 Autumn News

The guitar amused us. We all helped to play Old McDonald song.

The outdoor snow exploration was fantastic. It also was very cold.

Some of us enjoyed to watch a ballet performance.

'Oh no!'... the Velcro man is without eyes, mouth or nose. We tried to help him by placing his body parts to the correct place.

I have explored the clothing of a firefighter. Do you think I look like one?

Riding a bike and using the outdoor gym is our way to stay healthy.

We chopped fruits to make a fruit salad for the Harvest festival at school. We did some lovely fruit and finger painting and fruit tracing too.

We enjoyed to read, to write, to find and make sounds and to point to and name different farm animals.
